

Track and Field Record Holders: Profiles of the Men and Women Who Set World, Olympic and American Marks, 1946 Through 1995

David Baldwin

This reference work gives information on all athletes who have set world Olympic or American records in track and field since 1946. Arranged by track and field events, a listing of the record holders is first provided. This is followed by an accounting of each of the record-setting performances, including athletes name, country and record. For most record holders, a brief profile is given, focusing on the actual record and providing information on the athletes overall career.
