

# Constitutional Law for a Changing America: A Short Course, 5th Edition

*Lee Epstein, Thomas G Walk*

Because political factors influence judicial decisions, *Constitutional Law for a Changing America* draws on political science as well as legal studies to excerpt and analyze cases. With meticulous revising and a sharp new interior design, the authors streamline material while accounting for recent landmark cases and new scholarship.

Ideal for a one semester course, the *Short Course* offers all of the hallmarks of the *Rights and Powers* volumes in a more condensed format.

Updates to the fifth edition include: expanded treatment of both legal and social-scientific approaches to the Court's decision-making; a new section on student rights with an excerpt from *Morse v. Frederick*; increased coverage of hateful and offensive speech with an excerpt from *Snyder v. Phelps*; a new section on voter identification with an excerpt from *Crawford v. Marion County Election Board*; updated discussion of campaign reform legislation with an excerpt from the controversial *Citizens United v. FEC* decision.
