

# Sammy Keyes and the Hotel Thief

Wendelin Van Draanen

**"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)" —*Midwest Children's Book Review***

What Sammy should have done was put the binoculars down and call 911. What she does instead is tighten up the focus on her right eye to get a better look. There's something very familiar about this thief.

But when Sammy eventually spills her story to Officer Borsch, he doesn't believe her. He treats her like some snot-nosed little kid. Well, Sammy's not going to stand for that. She's a snot-nosed *seventh grader* now, and she knows what she saw. And somehow she's going to prove it.

**The Sammy Keyes mysteries** are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.
